Colum. C. Columbia College.

Those leaving this College and graduating at another, have the name of that College subjoined.

— Indicates that the member did not, so far as known, graduate at any Institution.

NOTE. It may not be improper to state, that much difficulty has been experienced in the preparation of this Catalogue, from the fact, that the records of the Society, previous to the year 1817, were unfortunately destroyed. Many mistakes and omissions, attributable to this, and other causes, will be detected by the former members of the Society; and all receiving this Catalogue are respectfully requested to communicate such information to the Society, as will render a future edition more perfect.
